   _____

Etc…

- For one question you will need to complete notes using words from the lecture:

The speaker discusses... Complete the notes with **no more than three words from the lecture in each gap**. *(1 mark each, 5 marks total)*

Bla bla

Blab la

…. **(a)** _____ …

Bla bla

… **(b)** _____ …

Etc…

- For one question you will need to complete a summary:

Complete the summary of the speaker's discussion on… **no more than four words from the lecture** in each gap. *(1 mark each, 4 marks total)*

…

- For one question you will need to match the people / organisations with their research finding or view:

Use your notes to match the people / organisations with their research finding or view by writing i) – v) in the correct space. **You will only need three out of the five pieces of information**. *(1 mark each, 3 marks in total)*

Person / organisation	Answer	Research Finding / View

Part 3: Summary and Evaluation

1. Summarise: The…

2. Evaluate: How far do you believe… Give reasons for your answer.

You will be awarded marks as follows (8 marks):

Marks	Content /5	Marks	Evaluation / 3
5	5 relevant points described	**3**	Answer includes 3 relevant reasons and/or examples in support of stated position
4	4 relevant points described		
3	3 relevant points described	**2**	Answer includes 2 relevant reasons and/or examples in support of stated position
2	2 relevant points described		
1	1 relevant point described	**1**	Answer includes 1 relevant reason and/or example in support of stated position
0	No relevant content.	**0**	No task achievement. Reasons do not support position, reasons / examples missing or are irrelevant, or no position stated.

For the summary, keep each point short and clear: use the bullet point format provided to structure your response. **For the evaluation**, state your position, and provide reasons / examples to support your position. You may use reasons and examples from the lecture, or your own ideas.
